

October is Breast Cancer Awareness Month

1 in 8 women will be diagnosed with breast cancer in their lifetime. There is currently no known cure for breast cancer, and its early diagnosis is critical to survival. This October we are raising money for the National Breast Cancer Foundation, an organization that aims to provide all women with access to lifesaving information and cancer screenings.

Customer Fund Goal: \$1,000

For every pink plant listed below sold in the month of **October**, Home Nursery will donate \$1.00 to the National Breast Cancer Foundation!
